### The Scent Experience

When I first applied Xerjoff Casamorati Lira, I was struck by the initial rush of citrus notes - a perfect blend of bergamot and lemon that left me wanting more. As the fragrance unfolded, I detected subtle hints of rose and jasmine, which harmonized beautifully with the warm undertones of vanilla and tonka bean. This masterful blend is what sets Xerjoff apart from other perfume houses; they truly understand how to create a scent that is both familiar and unique.
